

COMPANY PROFILE

Integrated Solutions for Water, Industry and Mining

About Us

PT. METITO (Multi Enviro Tirta Teknologi) adalah perusahaan penyedia solusi terintegrasi untuk sektor Water Treatment, Industrial Supply, Engineering, Equipment, Spare Parts, dan Mining Support Services.

- **Kualitas Produk Terjamin**

Menyediakan produk berkualitas tinggi dari supplier terpercaya

- **Pengiriman Tepat Waktu**

Komitmen terhadap ketepatan waktu dalam setiap pengiriman

- **Kepuasan Pelanggan**

Layanan purna jual dan dukungan teknis yang profesional

Industri yang Kami Layani:

Mining | Petrochemical | Oil & Gas | Palm Oil Refinery | Power Plants

Vision & Mission

VISI

Menjadi mitra terpercaya dalam penyediaan solusi terintegrasi untuk kebutuhan air, industri, dan pertambangan di Indonesia.

MISI

- Menyediakan produk berkualitas tinggi dengan harga kompetitif
- Memberikan solusi engineering yang efektif dan efisien
- Membangun hubungan jangka panjang berbasis kepercayaan
- Mendukung keberlanjutan operasional pelanggan.

CORE VALUES

Quality

Excellent Service

Integrity

Innovation

BUSINESS LINES

Chemical Supply

Penyediaan bahan kimia industri untuk berbagai aplikasi.

Engineering Services

Layanan teknik profesional dan konsultasi yang mencakup perancangan, instalasi, hingga pemeliharaan sistem dan proses industri.

Equipment Supply

Melalui kerja sama dengan berbagai produsen dan pemasok terpercaya, kami memastikan ketersediaan Equipment serta sistem pendukung berstandar industri demi memenuhi kebutuhan bisnis Anda.

Spare Parts Supply

Didukung oleh jaringan produsen, distributor, dan pemasok terpercaya, kami menyediakan suku cadang original dan alternatif berkualitas sesuai standar industri guna memastikan ketersediaan yang tepat waktu, menjaga produktivitas, serta meminimalkan downtime operasional Anda.

OUR PRODUCTS

Chemical Supply

Penyediaan bahan kimia industri untuk berbagai aplikasi.

Water Treatment

Ion Exchange Resin, Filter Media, Membrane RO/UF/NF, Activated Carbon

Equipment Supply

HP Pump, Feed Pump, Dosing Pump, Blower, Multi Media Filter, Carbon Filter, Softener, RO System, Demin Plant, Chlorine Dioxide Generator, Instrumentation dan sistem pendukung lainnya.

Consumables & Spare Parts

Cartridge Filter, Valve, Mechanical Seal, Gasket, Bearing

Carbon Graphite

Carbon Brush, Carbon Vane, Carbon Seal, Carbon Connector

Mining & Material Handling

Conveyor Belt, Roller, Crusher Parts, Vibrating Screen

CHEMICAL SUPPLY

Penyediaan Bahan Kimia Industri untuk Berbagai Aplikasi

Water Treatment Plant (WTP)

- PAC (Poly Aluminium Chloride)
- Aluminium Sulfate (Tawas)
- Soda Ash
- Caustic Soda (NaOH)
- Hydrochloric Acid (HCl)
- Sulfuric Acid (H₂SO₄)
- Sodium Hypochlorite (NaOCl)
- Activated Carbon
- Silica Sand
- Anthracite
- Resin Kation & Anion
- Antiscalant RO
- Membrane Cleaner

Sewage Treatment Plant (STP)

- Bio Culture
- Enzyme Bacteria
- Chlorine
- Chlorine Dioxide
- Odor Control Chemical
- Disinfectant Chemical

Boiler & Cooling Tower

- Oxygen Scavenger
- Scale Inhibitor
- Boiler Treatment Chemical
- Condensate Line Treatment
- Cooling Water Treatment Chemical

Industrial Maintenance Chemical

- Chain Lubricant
- Food Grade Lubricant
- Penetrating Oil
- Rust Remover
- Contact Cleaner
- Electrical Cleaner
- Degreaser
- Industrial Cleaner
- Produk setara CRC Industries

Waste Water Treatment (WWTP)

- Polymer Anionik
- Polymer Kationik
- PAC
- Ferric Chloride
- Ferrous Sulfate
- Nutrient Bacteria
- Defoamer
- pH Adjuster
- Coagulant
- Flocculant

Engineering Services

Produk Berkualitas untuk Sistem Pengolahan Air

- Design WTP
- Design WWTP
- Design STP
- Reverse Osmosis System
- Demineralization Plant
- Chlorine Dioxide System
- Chemical Dosing System
- Installation & Commissioning
- Preventive Maintenance
- Plant Audit
- Troubleshooting System

Equipment Supply

Produk Berkualitas untuk Sistem Pengolahan Air

Filtration System

- Multi Media Filter
- Activated Carbon Filter
- Softener System
- Iron Removal Filter
- Manganese Removal Filter
- Cartridge Filter
- Bag Filter
- UV Sterilizer

Reverse Osmosis System

- RO Membrane
- Membrane Housing
- Pressure Vessel
- High Pressure Pump
- Instrumentasi RO

Chlorine Dioxide System

- Chlorine Dioxide Generator
- Chemical Dosing Package
- Monitoring System

Belt Conveyor

- Conveyor Belt
- Idler Roller
- Pulley
- Belt Cleaner
- Skirting Rubber
- Conveyor Motor
- Conveyor Gearbox

Water Treatment Equipment

- High Pressure Pump
- Feed Pump
- Dosing Pump
- Transfer Pump
- Submersible Pump
- Blower
- Air Compressor

Demineralization Plant

- Cation Vessel
- Anion Vessel
- Mixed Bed Vessel
- Resin Kation
- Resin Anion
- Conductivity Meter

Crusher (Pemecah Batu)

- | | |
|------------------------|---------------|
| • Jaw Crusher Parts | Concave |
| • Cone Crusher Parts | • Blow Bar |
| • Impact Crusher Parts | • Screen Mesh |
| • Hammer Crusher Parts | • Bearing |
| • Toggle Plate | • Shaft |
| • Jaw Plate | • Coupling |
| • Mantle | |

Consumable & Spare Parts

Peralatan Industri Berkualitas Tinggi

Instrumentation

- pH Meter
- ORP Meter
- Conductivity Meter
- Flow Meter
- Pressure Gauge
- Level Sensor

WTP / WWTP / STP

- Filter Sand
- Activated Carbon
- Anthracite
- Gravel
- Resin
- Cartridge Filter
- Bag Filter
- Diffuser
- Membrane MBR
- Mechanical Seal
- Bearing
- Valve Kit
- Gasket
- O-Ring

Carbon Graphite

- Carbon Brush
- Sliding Contact Brush
- Automotive Brush
- Vanes
- Bushing & Valves
- Copper Connectors
- Carbon Block
- Segmented Rings
- Slip Ring
- Carbon Brush Holder
- Spring Constant
- Protection System
- Carbon Brush Holder
- Ring Bushing
- Carbon Bushing
- Carbon Insert
- Mechanical Seal
- Seal Rings

OUR CLIENTS

Mining

Pertambangan batubara, nikel, emas, dan mineral lainnya

Petrochemical

Industri petrokimia dan pengolahan kimia

Oil & Gas

Eksplorasi dan produksi minyak & gas bumi

Palm Oil Refinery

Pabrik pengolahan kelapa sawit

Water Treatment

Instalasi pengolahan air bersih dan limbah

Power Plants

Pembangkit listrik tenaga uap dan gas
